

The 25 books I think *everyone* should read.

The curated library behind a life built on your terms. Grouped by season, so start with the section that is calling you right now. **Do not read all 25 at once.** Pick one. Two pages a day is enough to start. **With ambition, Amy**

Daily Practice

01 The Daily Stoic

Ryan Holiday

A page a day of Stoicism you can actually use. Read it for three years and you are new.

02 365 Days of Good Morning, Good Life

Amy Landino ♦

My own page a day reader. Seven pillars, one short reading. Pair it with the Stoic.

Mindset and Motivation

03 Good Morning, Good Life

Amy Landino ♦

The morning routine manual. Movement, mindfulness, mastery. Start here first.

04 The High 5 Habit

Mel Robbins

Makes unconditional self support feel doable. Positive outlook, not toxic positivity.

05 The 12 Week Year

Brian Moran

What you think takes a year probably takes twelve weeks. A system, not a pep talk.

06 Essentialism

Greg McKeown

You get one amount of energy. Point all of it at the one thing that matters.

07 The Artist's Way

Julia Cameron

Morning Pages. It clears the noise so the good work can finally come through.

Build the Business

08 Traction

Gino Wickman

The book that changed my business life. Stop running it off the top of your head.

09 Buy Back Your Time

Dan Martell

The shift from I have a job to I am building a business. Read it early.

Becoming Yourself

10 Quiet

Susan Cain

Introversia as a leverage point, not a place to hide. Lean in, do not close off.

11 The Obstacle Is the Way

Ryan Holiday

What is happening to you might be happening for you. What you do with it is the answer.

12 Daring Greatly

Brené Brown

For rule followers who shrink back. The bolder version of you is right there.

13 The Power of One More

Ed Mylett

The rep after the rep. If you are not sure what try harder means, start here.

Time and Productivity

14 How to Live on 24 Hours a Day

Arnold Bennett

Some of it is dated. The wisdom is not. Look at your time, not your list.

15 Getting Things Done

David Allen

The foundation of stress free productivity. Finish things, stop drowning in them.

16 Building a Second Brain

Tiago Forte

The follow up to GTD. Organize it all so your brain stops carrying it.

17 The PARA Method

Tiago Forte

Projects, Areas, Resources, Archives. Read all three and you will be the organized one.

18 How to Take Smart Notes

Sönke Ahrens

Nobody teaches you to take notes well. This closes the gap for a full head.

Money Mindset

19 Big Money Energy

Ryan Serhant

For when wanting money still feels weird. Funny and sharp, never preachy.

20 You Are a Badass at Making Money

Jen Sincero

A woman talking to women about money. We cannot improve what we will not discuss.

21 I Will Teach You to Be Rich

Ramit Sethi

Practical, no guilt money management. Build a system where money serves you.

22 Rich Dad Poor Dad

Robert Kiyosaki

Read it if I am not a money person has been your stance for too long.

23 Profit First

Mike Michalowicz

I reread this every year with Traction. You run a business on real cash.

Spirit and Self-Awareness

24 The Four Agreements

Don Miguel Ruiz

A quick read that changes your mindset for good. Start here when beliefs run you.

25 The Untethered Soul

Michael Singer

Your thoughts are not who you are. Hold them apart and stop taking things personally.

YOUR NEXT MOVE

Pick the section that fits where you are today. Choose one book. Start tomorrow morning. Two pages is enough. Then come tell me which one you started, because the reading is only half of it. What you do next is the other half.

THE ROLE MODEL

Reading the books is step one.
Becoming her is step two.
